Helping you get back to the Shed after COVID-19

Understandably, we're all keen to get back to our Shed life.

Australia has so far been highly successful in 'flattening the curve'. With the release of a national three-step framework to 'reopen' Australia, our State Governments are now implementing this framework to gradually remove baseline restrictions and make Australia 'COVID-safe'.

it means that the operation of Sheds across Australia advise you to contact the authorities relevant to your to reopen are appropriate and within the easing of

Our **Getting back to the Shed Guide** is now available to help Men's Sheds navigate the process of reopening safely and legally.
