NOTICE

The Ladies Auxiliary of the Rockhampton Men's Shed Inc would like to welcome persons interested in joining our Group.

Our new shed is situated on Darumbal Road at CQ University on the opposite side to the sports oval) and we are open from Monday to Thursday 8.00am till 12 noon. (Shed No 2 at the rear)

While we are a part of the Men's Shed we do not actually go into the workshop or encroach on the Men's part of the Association.

Our main function is dabbling in Arts and Crafts and making items which we sell to raise funds for the Association along with the men at a monthly Market Day which it is hoped will commence in either February or March.

You may like to present your ideas for new project which the ladies can learn or just come along for a chat and a cuppa.

So, what about it? Do you have a few hours to fill in? Do you want to form new friendships? Are you suffering from social isolation and need some help to overcome this? Would you like to learn some new skills?

If you have answered "Yes" to any of these questions, why not come along and give it a go. Who knows you might enjoy the company and in doing so create a whole new part of your life.

If you are interested please contact Marion Lawler on 0411230234
